THE FARMERS' MARKET IS BACK AT COLUMBUS SQUARE!

The Farmers' Market has returned to Columbus Square on July 7th for the second year in a row with great early produce like squash, zucchini and black raspberries, flowers and baked goods. One of the merchants brought corn grown in their fields in West Jefferson, some of the earliest corn in central Ohio.

The market, which is hosted in cooperation with the Pearl Alley Grower's Association, is open every Tuesday through October 27 from 4 to 6 PM located in the same place on the concrete pad on the north side of the Ohio Thrift Store.

While the first week did not have a lot of sellers but plenty of buyers, you will see more sellers and more buyers each week as the Ohio crops ripen and are brought to the market, ready to sell.

The new Farm Market banners are up on the light poles, and new signs directing drivers are placed every Tuesday morning on Cleveland Avenue

and Forest Hills Boulevard to help bring customers in to Columbus Square, the Farmer's Market, and **your stores**.

The farm market generates a lot of traffic at Columbus Square and is great exposure for your business. Make sure your windows sparkle and your stores look their best!

Property Management

Have you noticed that well over 300 flowering plants have been carefully planted around the shopping center? The

Hadler maintenance men handled the job.

The flowers are fresh locally grown and are from the Foertmeyer & Sons Greenhouse in southern Delaware county.

PROPERTY TIPS

- We all want a clean center and the dumpsters are the place to start.
- Check the rear of your store and dumpster areas for cleanliness.
- As your business increases, you may need to increase the frequency of pick up for your trash.
- Trash and garbage must be "IN" the dumpsters and not on the ground around it.
- Trash on the ground is a breeding ground for rats, mice and other vermin.

The following two flyers are presented by Columbus Square Shopping Center in the interest of community information.

Issue 1 in the upcoming August 4 special election is a proposal by the City of Columbus to partially address the current and projected fiscal imbalance of the City's General Fund by increasing the tax rate on personal earned income by 0.5% to 2.5%. Whether or not Columbus voters support Issue 1, the outcome of this special election will have a significant impact on Columbus residents and workers and their neighborhoods for years to come.

Join us for a moderated public discussion of Issue 1, featuring prominent speakers presenting both sides of the issue. Sponsored by the non-partisan Franklin County Consortium, organizer of "Meet the Candidates Forum" events throughout central Ohio since 1991, and the Columbus Community Coalition and supported by the Society of Professional Journalists (Central Ohio Pro Chapter), this FREE event will provide the public with an opportunity to present questions to speakers at the event.

The moderator for this special event will be **Carol Luper**, ABC6 and Fox 28 News reporter.
